### APPROVED CONTRACTORS IN THE EVENT OF AN EMERGENCY

*Please go to the end of this document for a list of approved contractors you may call direct in the event of an emergency. NB you may be charged if the call out is not deemed to be an emergency or the Landlords responsibility.*

## **IMPORTANT NOTE**

### **Clarkes Maintenance Procedure**

**REPORT MAINTENANCE ISSUES TO:** [maintenance@clarkesproperties.co.uk](mailto:maintenance@clarkesproperties.co.uk)  
**Remember to attach pictures**

As Managing Agent acting on behalf of the landlord, we are contractually obliged to follow this process. **Please help us help you.**

### **WE MUST FIRST ASSESS AND PRIORITISE THE ISSUE**

<b>Prioritise the item:</b>	
PRIORITY 1	Essential repairs that could be a breach of the tenancy agreement or health & safety regulations if not resolved.
RECOMMENDED	Maintenance items that are in the landlords interests to resolve or to avoid a bigger issue later on
NON PRIORITY	Minor maintenance items that do not affect the tenancy agreement or health & safety issues.

### **WE MUST THEN GET APPROVAL TO SEND CONTRACTORS TO RESOLVE**

<b>Level of Response Needed</b>	
Emergency Call Out / Make Safe	This would typically be a Priority 1 water, gas or electric repair.
Minor Repair Call Out	This would typically be a fix on spot call out for Priority 1 or Recommended items.
Arrange Quote	This would typically be a larger or specialist repair or maintenance item
Self Help Advice for Tenant	This would typically be for Non Priority items

### **YOU CAN HELP US ASSESS AND RESOLVE BY:**

- **Sending us photos** (even if you can't see the issue in a photo it helps to see the location, context and type of appliance etc).
- **Diagnosing the problem** and providing as much information as possible.

**The better the photos and diagnosis of the problem the quicker we can Assess, Approve and Respond.**
